Little Gifts to Put a Smile on Kids' Faces on Children's Day and After

Do you have a little footballer, superhero, space explorer, or dog lover at home? Or maybe a little princess who always talks about unicorns, enjoys avocado spread, or loves playing with a rubber duck while bathing? We have something for everyone! [Dedoles](#) offers a wide range of products that all kids will love. Surprise your little ones with Dedoles Socks for Children's Day. They'll love that the socks are mismatched!

And we've remembered mum and dad too! Most of our children's products are also available in adult sizes - so easily create matching outfits and double the fun! Just imagine the whole family wearing the same socks! And since the summer is just around the corner, ankle socks are now available too.

And remember the most important thing: the greatest gift for a child is the attention and love of their parents. A material gift is just the icing on the cake.

1 June is International Children's Day, which dates back to its 1925 founding during the World Conference on Child Welfare (Geneva, Switzerland). As it's been celebrated in our country since 1950, this year's Children's Day is all the more special because it's the 70th anniversary.

Dedoles wishes you a happy Children's Day!
